Kids Fish-In Event Guidelines

1. All fishing gear and bait will be provided. No personal fishing gear will be allowed.
2. Kids will need to arrive 30 minutes before their designated fishing time to check in and pick up their Rod and Reel.
3. Once registration has been completed families will go to the staging area to wait until the beginning of their fishing session.
4. At the beginning of their fishing session, families may then go to the spot of their choice. Due to limited fishing area, please limit number of non-fishing family members to less than 5.
5. Kids will be fishing in a netted area. However, catch is not guaranteed. Even though the fish are in a contained area, there are times when the fishing can be slow due to a variety of reasons such as water temperature or weather. We hope that all participants catch a fish and will do our best to help make it happen. Contact a volunteer guide in an orange vest for further assistance.
6. Parents are encouraged to help their child(ren) fish. However the child is the one that should be fishing.
7. **No dogs or bicycles or strollers will be allowed in the fishing area, for safety considerations. Smoking is not allowed at Lake Sacajawea Park.**
8. Once the limit is caught, each child needs to leave the fishing area and proceed to the cleaning station. Catch and release will not be allowed and will result in immediate departure from the fishing area. (Fish may be donated to a local charity, arranged by the organizing entity at the fish cleaning station.)
9. Parking is very limited and if possible, use of community transit or carpooling is encouraged.
10. Registration form must be turned in to the Longview Recreation Office no later than 5:00pm April 22. This program fills up rapidly, so register early. Online registration is available at www.mylongview.com/reconline.
11. Time slots are assigned on a first come, first serve basis. **Once you are registered you cannot change your scheduled time**
12. If you would like to volunteer or donate to this event call the recreation office at 442-5400.

NO REFUND FOR ANY REASON
