Volunteer Hours

Volunteers assist Longview Police Department in several different ways.

First we have a Reserve Police Officer Program.

Reserve Officers assist with special events throughout the community such as the 4th of July, parades, car cruises and many other events. Longview Police Reserve Officers donated over 1200 hours in 2011.

Second, volunteers staff our Satellite Office doing clerical support, data entry and many other tasks which provide assistance to the police department and the crime prevention efforts out of that office. Satellite Office volunteers donated over 1650 hours in 2011, saving the city \$23,000. We currently have 4 volunteers in this program.

Our third group of volunteers are the Alley Gators. The Alley Gators are a volunteer citizen patrol who patrol the streets and alleys of Longview looking for suspicious behavior to report to the dispatch center. The Alley Gators donated over 1260 hours of time this year. The Alley Gator patrol consists of 7 volunteers.

All 3 groups of volunteers donated over 3900 hours of time to the police department.

Thank you volunteers!
