

City of Longview Accessibility Advisory Committee (CLAAC)

Committee Establishment

In the 2017 Work Plan, the Human Resources Department is tasked with addressing an actionable item under the Addressing Quality of Place Issues initiative. The City Council would like to complete an ADA self-assessment and transition plan that addresses access to services, activities, buildings, and right-of-ways within the City of Longview. Establishment of a City Accessibility Advisory Committee will be integral in the success of this item and addresses one of the deliverable tasks in this strategy.

- *Provide review and guidance to staff on Department of Justice requirements and general regulatory compliance as identified in the Americans with Disabilities Act (ADA) of 1990.*
- *Assist the City, and its staff, on accessibility determinations to current services, activities, buildings, and right-of-ways.*
- *Assist the City, and its staff, in reviewing and advising on the prioritization of projects to improve City buildings, infrastructure, right-of-ways, parking, and new development accessibility.*
- *Assist the city, and its staff, in reviewing and advising on the prioritization of projects to improve accessibility to City services and activities. Those services include, but are not limited to, parks and recreation, RiverCities Transit, and other City of Longview provided services.*

This committee will be known as the **City of Longview Accessibility Advisory Committee (CLAAC)**.

Committee Purpose

Under the Americans with Disabilities Act (ADA) of 1990, the City of Longview is a Title II government entity. Title II protects qualified individuals with disabilities from discrimination on the basis of disability in the services, programs, or activities of all State and local governments provided by State and local government entities.

The committee's purpose is to assist and advise the City of Longview on the most appropriate means by which to make its programs, services, activities and facilities accessible to all of its residents and visitors.

To accomplish this purpose, the committee's primary roles are:

- *Advise the City on issues related to accessibility.* In this role, the committee will act as a sounding board for City staff. Committee members will provide input when City staff is soliciting specific feedback.
- *Bring to City staff's attention issues related to accessibility.* In this role, the committee will bring issues that its members observe in the community and for which the City has jurisdiction and responsibility.
- *Provide support to the City ADA Coordinator.* In this role, the committee may be asked to advise the City ADA Coordinator, help prioritize projects, prepare letters of support, attend meetings, etc.

Members will provide advice on how to enhance accessible community resources and emergency preparedness issues for the City. The work of the CLAAC does not replace other City of Longview outreach or public involvement efforts. City staff will include the committee's input in its decision making process. Final decisions will reside with staff and City Council.

Committee Membership

Applications for appointment to be a member of the CLAAC can be submitted to the City of Longview, through the Boards and Commissions section of the City of Longview website.

Committee Operation

Decision Making – Quorum and Voting

The committee will operate primarily under a consensus-building model. Committee members will attend meetings and review material as needed to learn about accessibility needs and projects. Committee members will ask questions, respect differing views, and work together to provide guidance and recommendations. When the committee is not able to agree on a specific recommendation, the recommendation of a majority of the committee will be identified as the primary recommendation, and minority opinions may be included. Committee guidance and recommendations will be provided to City staff and City Council for their consideration during final decision making.

At the Chair's discretion, a vote of the voting members may be called. In the event of a vote, a quorum shall be required and will consist of a majority of the voting members appointed to the committee [five of nine voting members must be present]. When necessary, a simple majority vote of the quorum can make a recommendation or decision. City staff cannot participate in votes or be counted towards the quorum.

Election of Committee Leadership

The Chair and Vice-Chair shall serve one year terms, in which the period will be an annual period from January to December.

Following the expiration of the Chair's term, the Vice-Chair shall automatically be nominated to the Chair position. Additional nominations for the Chair and Vice-Chair positions may be received from the committee membership.

Nomination & election of the Chair and Vice-Chair positions shall occur at the January meeting each year. The method for voting shall follow the voting requirements outlined in the previous section.

Meeting Schedule

The committee will generally hold meetings every two months. At the chair's discretion and in consultation with the City ADA coordinator, meetings may be cancelled for lack of agenda topics. A meeting schedule will be determined by the CLAAC membership.

Regular meetings will take place every other month (January, March, May, July, September and November), on the 3rd Monday from 4:00pm until conclusion at

1525 Broadway Street, Longview City Hall, 2nd Floor, Small Conference Room. At the discretion of the committee chair and committee members, special meetings can be held as needed.

During the period of COVID 19 emergency, meetings are conducted remotely via Zoom platform. Meetings were held on an as needed basis, and some regular meetings were postponed during this period. The committee reserves the opportunity to hold meetings via video based conferencing as needed during emergency declarations. When held, all committee meetings must remain open for public participation and observation.

Time Involved

The time commitment for committee participation will vary, but generally will not exceed an average of four hours a month to include a meeting and follow-up time to research issues.

Working Groups

The committee may establish working groups as required to research specific issues and make recommendations to the committee. Working groups may draw upon members from the committee, alternate committee members and may include outside resources as necessary.

Charter Amendments

Any changes or amendments to this charter will be done so at the approval of the city council.

Committee Dissolution

Under the guidelines of this committee establishment (page 1 of this document), if city council finds that there is no longer a need for the service of this advisory committee, city council can vote to dissolve the City of Longview Accessibility Advisory Committee.
